Soft Aniline Leather - Flamingo Red

£1,794 per hide

Soft Aniline Leather is an exquisite choice for the ultimate in luxury and comfort. Boasting an ultra-soft handle this leather not only accentuates the furniture's shape, but also the beautifully crafted detailing of our expert upholstery. Available in 21 stylish colours, Soft Aniline Leather offers a consistent finish with a sumptuous smooth texture. The aniline dye, carefully combined with oils, deeply permeates the leather, providing it with added softness. An impeccable choice for cool, effortless styling we recommend this leather for both classic and contemporary interiors.
