Elio Chair with fixed seat in Ivory Sambre Boucle

RRP $9,408

The Elio chair is defined by continuous curves and a softly rounded silhouette, with generous proportions and a fluid form that flows from back to arms. Available with or without a swivel base, it sits on a recessed plinth and offers a choice of fixed or cushion seat. The chair's sculptural elegance makes it equally suited as a standalone accent or paired with the Elio sofa and ottoman.
